

Lakeland Mite Boys League Champions

Elk Point #1 proved they are Number One in more than name, by winning the Lakeland Minor Ball Mite Boys Championship for the second year in a row. Nine teams from Grand Centre, Cold Lake, Medley, Bonnyville, Pierceland and Elk Point took part in the tournament Saturday in Elk Point.

Official opening for Fort George - Buckingham House

The official opening of Alberta's newest historic site, Fort George - Buckingham House Interpretive Centre takes place this coming Saturday, June 27 with colorful ceremonies which will include an historic re-enactment of fur trade history, a native friendship dance, ribbon cutting and flag raising.

The opening ceremonies begin at 1:00 p.m., when dignitaries will gather in the Centre's reception area to be led to their seats by a bagpiper. Following the singing of O Canada, and the introduction of special guests, those present will hear from Elk Point and District Historical Society President Sheila Thompson, who will officiate in the transfer of the keys of the Interpretive Centre from the Historical Society to the Honorable Doug Main, Minister of Culture and Multiculturalism. The Honorable Mr. Main will give the keynote address, prior to the ribbon cutting ceremony.

The dignitaries and public will then be led by Master of Ceremonies Frank Mayner to the site of Buckingham House, where the ceremony will continue with the flag raising and Cree prayers and ceremonies, followed by prayers in French and English by local clergy.

An historic re-enactment of interaction between cultures will be presented by the interpretive staff, then a Friendship Dance, led by native host and hostess Eugene Cardinal and Karen Abraham will end the official ceremonies.

Special events at the site that day will include a black powder shoot, ongoing children's games presented by the interpretive staff, a fleche weaving demonstration by Candace Sadoway of Victoria Settlement, fiddle and mule bones music by Roy Scott and Mike Haydak and a vignette presented by visitors from Fort Edmonton. Make sure to visit the tipi village, and enjoy a snack from one of the concession booths on site. The site will be open to the public on Saturday from 10:00 a.m. until the opening ceremonies, and from 2:30 p.m. until 6:00 p.m., and from 10:00 a.m. to 6:00 p.m. every day of the week until fall.

How To Get There

From the junction of Highway 41 and Secondary Highway 646 south of Elk Point, go 8 kilometres east, then turn right, go 1.6 kilometres south, then turn left for approximately 1 kilometre to the Fort George - Buckingham House sign, where you turn right and follow the signs to the parking area. A shuttle bus will be provided to take you to and from the site.

Chamber ends for summer

Last Wednesday's meeting of the Elk Point Chamber of Commerce was the final session before a 13 week break, although a number of projects will be ongoing during the summer.

President Millie Orr and Tourism Committee representative Vicki Brooker signed a contract with the Community Tourism Action Plan, which will pay three quarters of the cost of a \$2000 interior renovation to the Tourist Information Centre, which is scheduled to get underway almost immediately.

Also underway is the Retail Merchants Promotion Committee's placemat project, which will offer advertising spaces on a placemat for local restaurants to 16 businesses at \$240 apiece, with member businesses having the first opportunity to advertise. The

deadline for getting your business on the placemat is **Saturday, June 27**. Please contact Jeannine Boratyniec immediately at 724-4202 if you have not reserved your space yet.

Scratch and win cards are now available to member businesses wishing to use these for promotion. Each business can decide what discounts they wish to offer for various combinations on the cards. Call Dave Yake at 724-4200 for further details.

Two recent arrivals to the community were welcomed by the Chamber. Louise Crane is the Supervisor of Visitor Services at Fort George - Buckingham House Interpretive Centre, while Curt Svendsen is the new Town Administrator.

Jean Champagne of St. Paul - Smoky Lake Community Futures was on hand, and dis-

played a laminated version of the Fun Map, which is available from his office in St. Paul for \$6. Community Futures is looking at purchasing an easily transportable display board, which community groups could use. The Chamber felt this could be helpful for such events as the TILA-LTA conference, Health Care Connection and Information Night.

Champagne said that CF's Bid Alert ads have yielded three calls from Elk Point, which he felt is "not an overwhelming response." The Department of Economic Development and Trade has indicated that in the near future, all bids will be displayed on computer rather than by newspaper advertising.

Community Futures has recently completed a welcome package for Elk Point which lists local businesses and their hours of operation, a fishing guide for the area, and a pamphlet on the advantages of Chamber membership.

A fundraising idea was presented to the Chamber and will be pursued. The Chamber could make permanent use of the computer presently on loan, but cannot afford to purchase it unless funds are raised. A recent duck race in the Ardmore area raised \$8000, of which half went to Ducks Unlimited, and half to purchase a computer for the local school. It was suggested that this would be a worthwhile way to raise funds for

Water everywhere!!

The days of summer water rationing for Elk Point came to an end last year, with the installation of the Town's own line for pumping water from the North Saskatchewan River, but many residents were reluctant to use the plentiful supply on lawns and gardens, fearing that to do so would make their water bills soar.

This year, that problem, too has been put to rest. For the months of June, July and August, the Town of Elk Point is offering six cubic metres of **FREE WATER** to each household! For these three months, the amount of water which a household can consume for the base (minimum) price of \$35 increases from 14 cubic metres to 20 cubic metres.

Make sure to take advantage of this by supplementing the recent showers and keeping your lawn and garden green during the summer months.

Cooperative Venture

Lions Club President-Elect Glenn Flanders hands over the keys of the new washroom-utility facility at the Elk Point Recreational Park to Mayor Bruce Kleeberger, Town Administrator Curt Svendsen and Community Services representative Lynn Proskiwi. The Lions cooperated with the Town and Community Services in funding and building the facility which is a big asset to the park.

RCMP Ball tickets still available

A few tickets are still available for this Saturday's gala RCMP Ball and Homecoming in Elk Point.

The evening starts at 6:00 p.m. with a cocktail hour, with a fantastic multi-course dinner at 7:00 p.m., and dancing to the well known "Dr. Feelgood" band to follow.

Want to race a raft?

Some people just don't take 'no' for an answer. When they heard that the Canada Day raft races were not going ahead this year, some local enthusiasts decided to organize races on their own.

If you want to take part in the Annual Raft Race on the North Saskatchewan River on July 1, Jody, at 724-4475 evenings, or Albert, at 741-2179, are the people to call. Entries will be taken until June 26.

Get making your raft now and join the gang for a great time!

THINK POSITIVE HOW TO BECOME AN OPTOMIST

Research has shown that most illnesses, including headaches, backaches, and heart disease, can be caused or influenced by our feelings and stress levels. When we experience life changes - positive

Take your pick

or negative - our bodies need time to recover. Having an optimistic attitude can help speed recovery and may even keep you healthier than someone with a negative attitude. By learning to "look on the bright side" you can help counteract the negative effects of stress and improve your overall health.

LOOKING ON THE BRIGHT SIDE

The classic definition of an optimist is a person who sees a glass as half full, while a pessimist sees it as half empty. Optimists choose to feel hopeful about how they see a situation. Optimists are positive thinkers who practice positive "self-talk." They tell themselves "I can." Optimism, or positive thinking, can help accomplish a surprising number of personal and work goals.

BECOME AN OPTOMIST

1. FIND A ROLE MODEL. Find someone who seems to make the best of any given situation. Find out how that person maintains that attitude, and copy the behavior. Chances are, even during difficult times, optimism helps your role model get through them with fewer negative effects.

2. PRACTICE POSITIVE SELF-TALK. Tell yourself positive things every day for a month ("I can do the job," "I like myself," etc.) Practice positive self-talk for at least one month before judging how it has affected your attitude.

3. PRACTICE AFFIRMATIONS. Affirmations are po-

sitive motivating statements. Use short "I am" statements: "I am happy with my job." Say the affirmation out loud several times, than imagine it happening.

ACCENT THE POSITIVE

No one is optimistic all the time. But anyone can learn how to adopt a more positive, healthier attitude.

Seniors salute their own

The second week in June has been officially designated Seniors' Week, in Alberta, a time to acknowledge, honor and observe the presence and contribution made to our society by our many senior citizens. Various activities are planned, and our own Elk Point area has participated in these events since the Week was first allotted.

There may have been other observances, but the one I was present at was a supper in the new Centre, put on by the members, and specifically to honor those aged-80-plus citizens who are, or have been, members of the club.

Friday, June 12, 5:30 p.m. was the official opening time, but as with anything involving food, a lot of planning and work went on ahead of that time. The event was agreed upon at the general membership meeting earlier in the week, to be a free, good-fellowship gathering, hosted by the members, and honoring all those who had reached their four score years or more. The committees fell to with a will.

A list of 80-plus citizens was compiled, a goodly number. All were issued invitations, hand-delivered to the 54 persons, present or past members of the Pioneer Circle

Seniors' group. Arrangements were made, to assist any who needed transportation, or help with being served.

Twenty four 80-plus arrived for the supper. After being seated at the head tables, with their escorts, all received a corsage, courtesy of the club. Just under a hundred, in all, attended the event.

A delicious and varied buffet, purchased, cooked and prepared by the committee of the month, was laid on the groaning table in the conference room of the spacious seniors' centre, turkey, ham, trimmings, and more varied and colorful jellied salads than most of us see in a month of Sundays.

All this was topped off with ice cream and cake, favorite dessert of most people. Florence McGinnis asked the Blessing for us all.

After the guests of honor were served, the rest of us followed their example, loading our plates with the delicious offerings, and I, for one, enjoyed every bite.

Then came time for the entertainment. President Lillian Palinka welcomed all to the gathering, with special mention for our more senior members, and the examples they

have set. Entertainment had been arranged for, and this proceeded.

Rick Peters, well-known vocalist at the Baptist Church, offered "Just A Closer Walk With Thee" and "The Old Rugged Cross," with guitar accompaniment, the beautiful old songs appealing to the 'sing-along' urge in many.

Mrs. Anne Kates, one of the founders of the seniors' group, was to have spoken, but was unable to attend; Lena Kuziw ably filled in, with words of greeting to the 80-plus seniors, and a warm welcome, and a hope that all would be back next year.

John Bennett then took position on the piano bench and serenaded the group with "Whispering Hope," "Have I Told You Lately," and other good old songs, which he plays with verve and sparkle, evoking memories of other years.

Mr. Tommy Rae, resplendent in top hat and tails, then offered a very lively and beguiling version of Fred Astaire classics, with "I've Got Rhythm" and "Putting On My Top Hat." Unfortunately, the stage has rug covering, so much of the footwork was invisible to the crowd, as he danced on the floor. But we know he was very good.

Alberta Trails

By Irene Magnusson

Gaby Bayduza then tickled the ivories in offering of such good old toe-tappers as "Snowdeer," "Silver Bell," "Beer Barrel Polka," "A Tavern In The Town" and "The West A Nest And You." Rick Peters sang another song, then Orville Swedgan finished off the entertainment with a lively step-dance to "Little Brown Jug," which Gaby produced from the piano.

A huge 'gold-plated' cake had been baked and decorated by Helen Marcenik, and held place of honor on a gold-balloon-haloed table up front. The time came for making the first slice into it, with the eldest lady present given the honor. Mrs. Florence McDonell, looking lovely, stepped forward, with an assist from the eldest gentlemen present, and sunk the blade into the golden square. Mrs. McDonell is well remembered, especially by her many pupils, taught their three R's over the years.

Andy Miller and Gordon Havaruk shared the honor of

the oldest males present; all three received a handmade gift especially created for them by Alf Fakeley.

Coffee and juice continued available through the evening, which seemed to go by very quickly, until reluctantly the crowd dispersed, leaving the kitchen committee the task of cleanup; and perhaps they even enjoyed this last move, as there was chattering and laughter in the kitchen. Altogether, a delightful evening, and an opportunity well spent to offer thanks and homage to those whose footprints went before us. Perhaps we can all wish we will do as well.

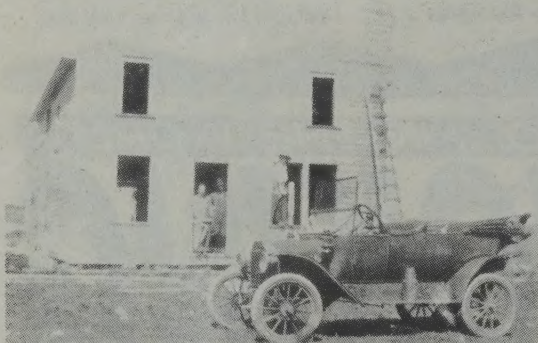

Elk Point has a wealth of experience, courage and humanity in their seniors, those who pioneered this wilderness, and those who came later. It was entirely fitting that these trailblazers be so honored. And those who were unable, for whatever reason, to attend, are honored as well. Their lives are appreciated and revered, too.

N.C.E.A.S.A.A. Seeks Solution

Negotiations between North Central East Alberta and the A.T.A. have gone on for 14 months. This is ridiculous!

The N.C.E.A.S.A.A. made a new offer to the A.T.A. on June 12, 1992 which was rejected by the ATA negotiating committee. As a result of this rejection, the NCEASAA negotiating committee applied to the Labour Relations Board to allow teachers to vote on the offers.

TEACHERS ARE TO VOTE ON THIS OFFER ON JUNE 24, 1992

The offer is: Salary Increases:

Sept. 1, 1991 - 5%; Sept. 1, 1992 - 3%

Increases to allowances for principals, assistant principals and consultants of Sept. 1, 1991 - 5% and Sept. 1, 1992 - 3%. In addition, N.C.E.A.S.A.A. has offered improvements to maternity and compassionate leave.

The new clauses on maternity leave conform to the Employment Standards Code and will allow the School Boards in N.C.E.A.S.A.A. to apply sick leave benefits to teachers during the health related portion of the maternity leave (Parcels decision). The ATA is alleging that this offer is contrary to the legislation, nothing is further from the truth! The NCEASAA offer conforms with all aspects of the legislation and the Parcel's decision.

Given the tough economic conditions in N.C. East Alberta we believe this offer to be fair and equitable for the teachers, the students and the local taxpayers.

N.C.E.A.S.A.A. encourages all teachers to vote in favor of the offer.

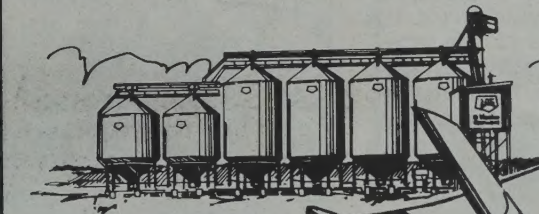

N.C.E.A.S.A.A. consists of the Counties of St. Paul, Thorhild, Smoky Lake and Two Hills plus the St. Paul Regional High School and the Glen Avon Protestant School.

Elementary students receive awards

Students of Elk Point Elementary School basked in the spotlight last Monday, June 15 as they celebrated the results of another school year at their annual Awards Day. Close to seventy awards for accomplishments in science, sports, music and academic studies were presented, along with a large number of library awards.

The top exhibitors from the Education Week Science Fair were first to receive their awards. In Division 3-4, these went to Peter Danyluk, Jessica Kleeberger, Julie Whiffen-Peters, Kevin Frankiw, Carlen Mutch, Glen Kulczycki and Michael Wakaruk, while in Division 5-6, award winners were Travis Hymanyk, Claudia Naber, Judy Kim, Stacey Kozicki and Carrie Baumgardner.

Shelley Tymofichuk (nee Bepalko) presented the Bepalko Memorial Awards to Grade 3 student Darcy Stafford and Grade 5 student Erica Nielsen. These awards go to the student in each of these two grades who best demonstrates a combination of athletic effort, leadership, achievement and sportsmanship.

This year's Intramural Sports award went to the Cougars.

Sheldon Ibach was the recipient of the 1991-92 Special Education Award, which goes to a student making outstanding progress in the program.

Music awards are sponsored by the BPO Elks Lodge, and Past District Deputy Bill Schumacher was on hand to present these to Eva Gusnowski, Grade 1; Lindsey Klein, Grade 2; Joanne deMoissac, Grade 3; Levi May, Grade 4; Kandice Bjornstad, Grade 5; and Jaylene Purdy, Grade 6.

Library awards were too numerous to be given out at the ceremonies, and many of these were given out earlier

that day in the classrooms by Librarian Myrna Fedorus. She devoted her portion of the afternoon to presenting Best Mascot Class awards to four classes who tied for the honor by having every student return their library books on time at every point during the year, without a single overdue. Class and individual certificates and bookmarks went to Grade 1A, Grade 1B, Grade 1C and Grade 3B, a total of 89 students. Last year, two classes split this honor. Mrs. Fedorus noted that all but 56 students in the school qualified for a special bookmark given to those who did not have an overdue book during the school year.

International dinner for social students

Bernice Capjack's Grade 5 students at Elk Point Elementary School have discovered that there is more to Social Studies than maps, geography and history. Two classes, totalling 44 students, enjoyed trying the foods of different cultures and countries at a year-end dinner last Thursday.

Tables groaned with a collection of dishes ranging from the familiar, such as pizza, spaghetti and pyrohs, to foods from faraway lands. The quick disappearance of well-filled platesful showed that the youngsters were not at all reluctant to try the unfamiliar dishes.

These students now are sure that "Canada's Links With Other Countries," are more than the title of their Social Studies unit. Those who have come from these countries have brought with them the customs and foods of their lands, and enriched our culture with their additions to it.

This is the second year for the International Dinner, and Ms Capjack and her students have declared it "a big success," as a way to end their classes for the year.

What's for dessert?

Students wound up their international dinner with a selection of desserts that would shame a fine restaurant, with everything from crepes to Scottish scones to choose from.

No Late Books!

School Librarian Myrna Fedorus congratulates the representatives of Grades 1A, 1B, 1C and 3B, who each received a certificate for their class for not having a single book overdue all year.

Grade two students take part in Canada 125 discovery box program

Our Grade2A class of Elk Point Elementary School is happy to let you know that we are putting together a Discovery Box, in celebration of Canada's 125th birthday. In our Discovery Box, we are including many interesting things describing ourselves and our community, such as:

- posters, posters to color and booklets from Alberta Agriculture;

- booklets, stickers and puppets from Alberta Power;

- key chains, hats, pins, stickers, samples of crude oil, pencils and fridge magnets from the oil companies (Amoco, Pan Canadian and Norcen);

- booklet on history and production of salt from Windsor Salt Plant;

- County pins and hats, County of St. Paul;

- Community Profile booklet, Elk Point Community Services;

- pins and Alberta flag, MLA John Dobot's office, Government of Alberta.

- samples of grain, brochures, stickers, pencils, note pads, song books, rain gauges, Alberta Wheat Pool;

- brochures, town pin, Peter Fidler pin, map of town, Town of Elk Point;

- brochures, maps, post card

and pins, Chamber of Commerce Tourist Booth;

- newspaper, Elk Point Review;

- photographs of the airport, Main Street, elevators, oilfield;

- pictures and brochures, Bicentennial Office;

- individual letters introducing themselves, their family, parents' occupations, what we do at school, recreation and something about our community from each student; sweetgrass, native crafts, badges, pictures and pins, as well as reports on a local field trip.

We decided to participate in the Discovery Box program because Topic B of our Social Studies concentrates on case studies of other Canadian communities. We thought active participation in the program would be a fun way to find out about other communities.

Enjoy your summer, kids!!

When our Discovery Box is ready, the bus courier company will take it to the Grade 2 class of Forest Hill Public School, Midhurst, Ontario, who will explore our box. We are also looking forward to receiving a Discovery Box in return.

The members of our class are: Lyndon Krankowsky, Frances Cardinal, April Guskowski, Adam Kleeberger, Carissa Maksymec, Dean Sereda, Devon Veenstra, Christine Schaap, Evan Way, Randy Wygle, Melvin Easthope, Joanne Gadwa, Matthew Buksa, Chad Keichinger, Chris Ockerman, Mathew Zarowny, Stephanie Swedgan, Kenny Nixon, Roy Kim, Diana Gadwa, Diane Pipe, Erin Bintz, Candace Faithful, Jennifer Kalynchuk, Lindsey Klein. Our teacher is Mrs. Sylvia Boothman.

Thirty years of stampeding

Stoney Lake Stampede Association marked their thirtieth annual event this weekend with a rip-roaring two day rodeo featuring Block Bros. rodeo stock and the talents of the Lakeland Rodeo Association competitors, with Dave Hutton of Edmonton Northlands presiding from the announcer's stand.

Each performance started with a colorful Grand Entry, featuring the flag-carrying members of the Stampede Association, who paused for a minute's silence for one of their longtime members, Steve 'Spike' Yakimowich, who passed away recently.

The usual good crowds were on hand to enjoy the Saturday night rodeo dance and Sunday morning's pancake breakfast, hosted by the Stampede Association, Elk Point Meat Packers and Processors, Speedy Mart, St. Paul Co-op and St. Paul Alberta Wheat Pool, as well as the rodeo itself.

Entries in the timed events were numerous both days, with only two of the five winning runs on Sunday. Saturday's top time in the Calf Roping was a 13.07 set by Ed Masson, which remained the fastest through Sunday's 14 competitors, to win him the Dave's Manure Handling trophy. Steer Wrestling was also determined by a Saturday run, with Ken Romeo setting a rapid pace with a 5 second flat run, which could not be equalled on Sunday, although Shawn Gilbert came close with a 5.3 for second place in the event, which was sponsored by Bochon Esso Bulk Sales. Erica Nielsen also made her winning run in the Junior Barrel Racing on Saturday, with a time of 17.358 good for the Vogel's UFA trophy.

Team Roping fans saw some exciting runs on Sunday, with Rick and Randy Allan becoming the new leaders in the first set of ropers, with a time of 8.2 seconds, almost a full second faster than Saturday's best time. Another half second was shaved off by Joanne and Dwayne Emery in

the second set, to win the Wozniak Bulk Sales trophy with a 7.7.

Twenty four competitors in the Ladies Barrel Racing vied to beat Sandra Cartier's 17.154 Saturday run, with only two faster times recorded. Janice Waltz clocked 17.137 for second hole, while Cindy Gamroth had the only run under 17 seconds, at 16.730, to win the Elk Point Insurance and Realty trophy.

Entries were fewer than usual in the rough stock events, but those who were competing provided some exciting viewing for the crowd. Denny Golden took the Junior Steer Riding trophy, sponsored by Phil's Hardware and Paul Caouette and Sons, with a 67 point ride on Saturday, while Stacy Knull made the only complete Bareback ride on Sunday, marking a 65 aboard "Art" to move Saturday's only qualifier, Dwayne Denchon, with a 61, down to second place for the event, which was sponsored by Norcen Energy Resources, Superior Propane and St. Paul TireCraft.

Gerry Walker was a clear winner in the Saddle Bronc, with an excellent 74 point ride aboard "Red Top" in Sunday's show moving Saturday's leader, Boyd Mahon, with a 67, down to second place.

The Bull Riding saved the rodeo's best for last, although none of Sunday's nine riders could top Kevin Shannon's 81 point ride aboard "Watusi" and John Early's second place 69. Sunday's score was Bulls 7 - Cowboys 2, with Kirk Jacknife marking 68 on "Dump Truck" and Leon Myers marking 65 on "Snowball." Shannon won a trophy sponsored by the Stampede Association.

Sunday's rodeo had four events for the youngsters, with Jason Marcoux of St. Paul winning the Toronto Dominion Bank trophy in the Calf Scramble, Michael Chappelaine winning the JEM Oilfield trophy in the Mutton Busting, Brianna Block winning the Beaver Lumber trophy for Best Dressed Cowgirl and Dayton Rowirth winning the Agland Farm Supplies trophy for Best Dressed Cowboy.

Give your business a fur trade look

Businesses which decorate their premises with a fur trade flavor will be eligible to win awards in two monthly contests this summer.

Elk Point Chamber of Commerce is sponsoring a Business Decorating Contest in conjunction with the Bicentennial activities, and has decided to maximize participation in the contest by dividing it into Indoor and Outdoor sections, with recognition given to the "best dressed" business in each section during the weeks prior to both the opening of the Fort George - Buckingham House Interpretive Centre and the major Bicentennial celebrations.

Judging will take place during the week of June 22 to 26 for the first contest, and July 27 to 31 for the second contest. Interior judging will be done on the Thursdays and Fridays of those weeks, so dress in your fur trade attire and get ready to win! Those businesses winning awards the first time around will not be eligible for a second award, although the Chamber hopes they will retain their fur trade decor for the balance of the summer.

Tennis news

Danny Maas
Instructor

As far as the tennis schedule goes, the only change is with adult lessons. As of Thursday, June 25, the adult lesson will be from 7:30 to 8:30 p.m. on Mondays and Thursdays. Presently, they run from 6:30 to 7:30.

As part of our weekly newsletter, we will be giving tennis tips to help improve your game. Here is the first:

Tennis Tip #1: When hitting a forehand or backhand shot, keep your feet sideways to the oncoming ball. This principle is used when hitting a baseball, a golf ball, and shooting a hockey puck. Hitting the tennis ball with your feet sideways gives you better balance, more power and more accuracy. Try it!

Man's Search For Meaning by Viktor E. Frankl is a revised and updated edition of an earlier work. Mr. Frankl endured years of horror in Nazi death camps and during this time, developed a revolutionary approach to psychotherapy. The core of this theory is the belief that man's primary motivational

force is his search for meaning.
